

KEUSH

méthode traditionnelle

KEUSH ORIGINS NV

Vintage: NV

Region: Vayots Dzor, Armenia

Soil: Limestone and Volcanic Rock.

Terrain: Vineyards situated at 1500-1700 meters above sea level. South Facing.

Grapes: Voskehat and Khatouni, both Armenian indigenous varieties.

Method: Méthode Traditionnelle

Vinification: Hand harvested in small lots; secondary fermentation in bottles, utilizing modern technologies.

Ageing: Minimum 22 months on the lees ageing.

Disgorgement date: December 2017

Bouquet: Notes of white flowers, nuts, stone fruits and a clean minerality. Light creamy texture with a balanced structure and length, with pronounced acidity.

Wine analysis:

Alcohol 12%.

Sugar content: Brut, 5 g/l.

CONTAINS SULFITES
