

ZULAL ARENI 2018

Meaning pure in Armenian, Zula was founded to craft wines that express the purest characteristics of Armenian indigenous grape varieties. With its Classic collection, Zula focuses on Armenia's signature Areni and Voskehat grapes.

GRAPE HISTORY

100% Areni. Armenia's signature grape, Areni is a thick skinned, late ripening variety with medium tannin, medium to high acidity, and cherry and spice bouquet. Coming from a village of the same name in Vayots Dzor region and a cave, where the oldest winery of the world is discovered, Areni has been making wine in this region for several millennia.

VINEYARDS

1400-1750-meter elevation vineyards with volcanic soil from Aghavnadzor and Khachik villages of Vayots Dzor.

WINEMAKER'S NOTES

This wine is dark ruby in color and demonstrates aromas of red forest fruits on the nose. They are accompanied with plum and peppery notes on the palate giving way to nicely velvety tannins and prolonged finish.

VINIFICATION

Hand harvested and hand sorted, fermented in stainless steel.

WINE ANALYSIS

ABV: 13 %

AT: 4.8 g/l

CONTAINS SULFITES
